

# Anti-Bullying (Child on child abuse) Policy

Date of Policy	Reviewed January 2023
Author	Angela King
Date approved by Governors	ТВС
Review date	January 2024

# This policy should be red in conjunction with the sexual harassment and sexual violence policy 2022.

## Member of staff responsible: Claire Goggin

Saint Benedict has a 'duty of care' towards its pupils with regard to bullying in that the Headteacher and staff stand in loco parentis (in place of the parents). This duty of care includes protecting pupils from harm of bullying.

## Our mission statement is: 'Be who God meant you to be and you will set the world on fire'

## The National and Legal Context

- This policy takes full account of the academy's legal obligations under the Education Inspections framework 2022 to ensure that:
  - leaders, teachers and learners create an environment where bullying, peer-on-peer abuse or discrimination are not tolerated. If they do occur, staff deal with issues quickly and effectively, and do not allow them to spread
- the provider prepares learners for life in modern Britain by:

equipping them to be responsible, respectful, active citizens who contribute positively to society; developing their understanding of fundamental British values; developing their understanding and appreciation of diversity; celebrating what we have in common and promoting respect for the different protected characteristics as defined in law

- eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act
- advance equality of opportunity between people who share a protected characteristic and people who do not share it
- foster good relations between people who share a protected characteristic and people who do not share it.

This policy links to the Every Child Matters Outcomes of Staying Safe, Being Healthy and Making a Positive Contribution and the current DFE anti-bullying guidance, Preventing and tackling bullying 2017.

# 1. a) Definition of Bullying

Bullying can be defined in a number of ways. We follow the DFE guidance which defines bullying as:

Behaviour that is:

- repeated
- intended to hurt someone either physically or emotionally
- often aimed at certain groups, for example because of race, religion, gender or sexual orientation

DFE Preventing and tackling bullying 2017 also states;

Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences.

Bullying can be direct or indirect and includes;

<u>Verbal bullying</u> – name-calling, taunting, mocking, making offensive comments and teasing, saying nasty things to or about a child or their family.

**Physical bullying** – kicking, hitting, punching, pushing and pinching,

**Emotional bullying** - producing offensive graffiti, excluding people from groups, spreading hurtful and untrue rumours, being forced to do things against own will and taking belongings or money

<u>Cyber bullying</u> – excluding a child from online games, activities or friendship groups

- sending threatening, upsetting or abusive messages
- creating and sharing embarrassing or malicious images or videos
- 'trolling' sending menacing or upsetting messages on social networks, chat rooms or online games

- voting for or against someone in an abusive poll
- setting up hate sites or groups about a particular child
- creating fake accounts, hijacking or stealing online identities to embarrass a young person or cause trouble using their name.

Bullying can take place between pupils, between pupils and staff; or between staff; by individuals or groups; face to face, indirectly or using a range of cyber bullying methods. It can happen in isolation or quite often in the presence of others.

People who are victims of bullying frequently, but not exclusively, are bullied as a result of:

- race, religion or culture
- special educational needs or disability
- appearance or health conditions
- sexual orientation
- gender
- home circumstance including looked-after-children and young carers

## b) Inclusion

Every member of the academy community is entitled to expect equality of protection from bullying as well as protection and support from academy policies and procedures designed to ensure that the academy remains a safe environment in which to teach and learn.

Our academy policy has given careful consideration to the six equality strands, race, ethnicity, gender, age, religion, disability and sexuality (REGARDS.) This is to ensure that antibullying provision is provided in a sensitive and non judgemental way that will enable all young people, staff and the wider academy community to feel valued and included in effective policy and practices.

In order to achieve this we have included as wide a cross section of the academy community as possible in the consultation leading to the agreement of this academy policy and we have tried to incorporate the specific needs of particular groups of pupils in this process.

## 2. Academy Statement of Intent

Saint Benedict believes that:

- bullying is undesirable and unacceptable
- bullying is a problem to which solutions can be found
- seeking help and openness are regarded as signs of strength not weakness
- all members of the academy community will be listened to and taken seriously
- bullying prevents pupils achieving to their full potential and affects standards of achievement and aspirations
- everyone has the right to work and learn in an atmosphere that is free from fear
- all of us have a responsibility to ensure that we do not abuse or bully others
- young people should be encouraged to seek support in academy if they are worried about bullying and have a right to expect that their concerns will be listened to and treated seriously
- young people should be involved in decision making about matters that concern them
- we all have a duty to work together to protect vulnerable individuals from bullying and other forms of abuse

# 3. Aims of the Policy

- To assist in creating an ethos in which attending the academy is a positive experience for all members of the academy community
- To make it clear that all forms of bullying are unacceptable
- To enable everyone to feel safe while at school and encourage pupils to report incidences of bullying
- To deal effectively with bullying
- To support and protect victims of bullying and ensure they are listened to
- To help and support bullies to change their attitudes as well as their behaviour and understand why it needs to change
- To liaise with pupils, parents and other appropriate members of the academy community
- To ensure all members of the academy community feel responsible for combating bullying
- To ensure consistency in practice within the academy community

# 4. Intended Outcomes

- That all parents and pupils have had access to and had opportunity to comment upon the academy anti-bullying policy
- That there are effective listening systems for pupils and staff within the academy
- That parents have a point of contact for the anti-bullying lead in the academy if they are concerned about their child
- That all staff have the necessary skills and confidence to deal with incidents of bullying effectively and promptly
- That no child or young persons' educational opportunities and achievement is disadvantaged due to the experience of bullying
- That all staff are equipped with the skills necessary to deal with bullying
- That the wider academy community (e.g. midday supervisors) is involved in dealing effectively with, reporting, recording, monitoring and if necessary referring bullying incidents
- That there is effective communication with parents and the wider academy community on the subject of bullying through newsletters and parental meetings.
- That all incidents of bullying are recorded and appropriate use is made of the information and where appropriate shared with relevant organisations

# 5. Recording of Incidents

From September 2009 it is a legal requirement for schools to record all incidents of bullying. To meet this requirement we:

- Keep a record of individual incidents of bullying.
- Compile an annual record of bullying incidents
- Record incidents on CPOMS and SIMS

# 6. Procedures and Dealing with Incidents – A Whole Academy Approach

# a) Role of pupils and staff in reporting and recording a bullying incident involving pupils

We take the view that everyone has a responsibility to report incidents of bullying or to share their concerns with a member of the academy community. At this Academy we follow the school guide to reporting and dealing with bullying incidents.

# (See Appendix 1 for Anti-Bullying Immediate Response Chart)

## b) Guidance for pupils

## If you are being bullied;

- Remember it is not your fault
- Try to stay calm and look as confident as you can
- Be firm and clear look them in the eye and, if possible, tell them to stop and tell them how you feel

## After you have been bullied:

- All bullying is wrong and you do not have to stay silent about it
- Tell an adult or somebody you trust about what has happened straight away. Adults in the academy have a responsibility to give you help and support around bullying
- If you are scared to tell a teacher or adult on your own, ask a friend to go with you.
  Keep on speaking until someone listens and does something to stop the bullying.
- In school, students can speak to form tutor in the first instance, Head of Year or Pastoral assistant at break or lunchtimes, anyone from the safeguarding team, teachers or associate staff. WE also have an anonymous reporting system on the school website that students can use.

## When you are talking to an adult about bullying be clear about;

- What has happened to you
- How often it has happened
- Who was involved
- Who saw what was happening
- Where it happened.
- What you have done about it already

## If you experience bullying by mobile phone, text messages or e-mail;

- Don't retaliate or reply
- Save the evidence do not delete anything
- Make sure you tell an adult who you trust
- Contact your service provider or look at their website to see where to report incidents
- Be careful who you give your mobile phone number or e-mail address to
- Make a note of exactly when a threatening message was sent.
- Block the person sending them to you if you can.

# For contacts and details of where to seek help outside school please see appendix.

## c) Guidance for parents/carers

## If your child has been bullied:

- Calmly talk with your child about his/ her experiences
- Make a note of what your child says including who was involved, how often the bullying has occurred, where it happened and what happened
- Reassure your child that he/ she has done the right thing to tell you about the bullying
- Explain to your child that should any further incidents occur he/she should report them to an adult in the academy immediately
- Make an appointment to see your child's personal tutor or Pastoral Support Worker
- Explain to the tutor or Pastoral Support Worker the problems your child is experiencing

# When talking with members of staff about bullying:

- Try to stay calm and bear in mind that the staff member may have no idea that your child is being bullied or may have heard conflicting accounts of an incident.
- Be as specific as possible about what your child says has happened, give dates, places and names of other children involved
- Make a note of what action the academy intends to take
- Ask if there is anything you can do to help your child or the academy
- Stay in touch with the academy and let them know if things improve as well as if problems continue

# If you are not satisfied:

- Check with the academy anti-bullying policy to see if agreed procedures are being followed
- Discuss your concerns with the parent governor or other parents
- Make an appointment to discuss the matter with the Head teacher and keep a record of the meeting
- If this does not help write to the Chair of Governors explaining your concerns and what you would like to see happening
- If you require any further support then please contact the Local Authority

# If your child is displaying bullying behaviour towards others:

- Talk with your child and explain that what he/she is doing is unacceptable and makes other children unhappy
- Discourage other members of your family from bullying behaviour or from using aggression or force to get what they want
- Show your child how he/ she can join in with other children without bullying.
- Make an appointment to see your child's class/form teacher and explain the problems your child is experiencing as well as discussing how you can work together to stop him/ her bullying others
- Regularly check with your child how things are going at school
- Give your child lots of praise and encouragement when he/ she is co-operative or kind to other people
- Check their mobile phone regularly for evidence of harmful comments or pictures that are being posted

## If your child is experiencing any form of cyber bullying:

- Ensure your child is careful to whom they give their mobile phone number and email address to
- Check exactly when a threatening message was sent and keep evidence of offending e-mails, text messages or online conversations. Do not delete messages
- If the bullying involves a pupil from the academy contact the academy to report this.
- Contact the service provider to report the incidents
- If the cyberbullying is serious and a potential criminal offence has been committed, you should consider contacting the police

# d) Guidance for adults experiencing bullying

The responses may be broadly similar or vary greatly to the response chart if it is an adult being bullied. If you are experiencing bullying as an adult:

- Seek advice and information from your union
- Share your concerns with a trusted colleague
- Make a record of all incidents and date them
- If you feel your situation is not being resolved then you should follow the academy's formal procedures as adopted by the governing body.

# e) Sanctions

It is important for all schools to be open and transparent in the sanctions used for bullying incidents. This academy has set procedures to follow in implementing sanctions where a bullying incident has occurred. These sanctions are applied in appropriate proportion to the event. In the event of all other avenues being exhausted, or in particularly serious cases this may lead to exclusion.

Examples of sanctions may include:

- a verbal reprimand and reminder of the expectations of behaviour;
- the setting of restorative written tasks such as an account of their behaviour;
- loss of privileges for instance, the loss of a prized responsibility;
- one on one reflective session with Chaplaincy team
- detention, loss of unstructured time or being moved classes.
- school based community service, such as tidying a classroom;
- being placed "on report" for behaviour monitoring;
- suspension;
- in the most serious of circumstances, permanent exclusion

# 7. Strategies to Reduce Bullying

The academy has adopted a range of strategies to prevent and reduce bullying, to raise awareness of bullying and support victims and those displaying bullying behaviour including:

- No Blame Approach
- Peer mediation
- Restorative approaches
- Personal development curriculum
- QR code reporting system on website
- Anti-bullying Week to raise awareness
- Safeguarding assemblies
- Training for all members of staff on anti-bullying policy and strategy
- Pupil Parliament
- Peer Mentoring
- School counsellor
- Safeguarding team who support individuals
- Leadership and staff monitor and track incidents

# 8. Supporting students

Once an incident of bullying has taken place and been dealt with, staff will still monitor the situation to ensure that the behaviour has stopped. Form tutors will 'check in' with any students who have been adversely affected to see how they are coping afterwards. Students may be referred to the counsellor for extra support if needed. Where this is the case, parents will be made aware.

If students need to complete any work with external agencies then this will be coordinated by the year team and safeguarding team. Again, parents will be made aware.

# 8. Confidentiality

Academy staff cannot promise absolute confidentiality if approached by a pupil for help. Staff must make this clear to pupils. Safeguarding procedures must be followed when any disclosures are made. It is very rare for a pupil to request absolute confidentiality.

Where it is clear that a pupil would benefit from the involvement of a third party, staff should seek consent of the pupil to do so. If appropriate, staff might inform the third party together with the pupil. Unless clearly inappropriate, pupils will always be encouraged to talk to their parent/carer.

An underlying principle in supporting pupils in our academy is that all children are listened to sensitively and objectively and all incidences of bullying will be taken seriously.

Although the academy cannot guarantee confidentiality pupils will be informed of national and local helplines, if appropriate, where confidentiality can be maintained.

## For further information please refer to the academy safeguarding policy.

## 9. Monitoring Arrangements

This policy will be evaluated and updated where necessary annually by the whole academy. The views of pupils, parents and staff will be used to make changes and improvements to the policy on an ongoing basis.

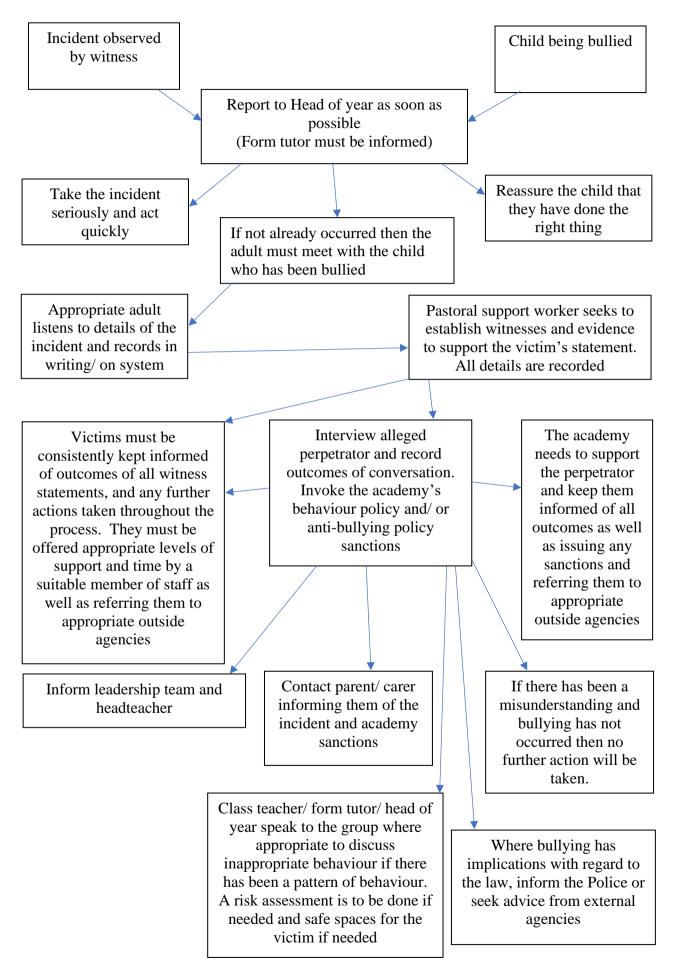

The leadership team and governors will, on an annual basis, analyse the academy's antibullying data, identify trends and evaluate the effectiveness of anti-bullying strategies.
