

Dear Parent/Guardian

Year 6 Parents Welcome Evening – Monday 10th July 2023 6pm-8pm

I do hope this letter finds you and your families well. We are determined to do everything we can to help prepare Year 6 for a successful transition to Saint Benedict Catholic Academy. We are therefore inviting you to attend a in person information evening.

This will take place in school on the evening of Monday 10th of July – starting at 6pm in North Block. During the evening, parents will have a presentation from the Headteacher; a presentation from the Year 7 Pastoral Team; the opportunity to attend three key workshops about school policy, practice and expectations and have an opportunity to meet your child's form tutor. The form tutors' meetings will provide you with the opportunity to ask any questions you may have about your child. Please note that this event is for parents and carers only; not students.

To allow us to accommodate all parents, we ask that you complete the online questionnaire either by using the QR code or following the link. <https://forms.office.com/e/8bs8NT8DYC>. These are also available on our website.

Data Collection - Important please complete.

For us to be ready to receive your child for September, it is important that we collect all the information and data we need to be able to communicate with you next year and to ensure that we have all the details we need to support your child. If you have not yet had the opportunity to complete the relevant data collection form please can we ask that you do so by Wednesday 5th July. The easiest way to complete this form is to use the online questionnaire, which can be easily accessed by scanning the QR code below on a smart phone. If you are unable to access this data collection form, please contact the school office and we will be able to send a paper version for you to complete.

Finally

We do understand what a challenging time the move to secondary school is for both parents/carers and students! Please do be reassured that our priority is to ensure that your child is well prepared to join us in September so they can make a seamless social and academic transition to the next phase in their education.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Hazel Boyce', written in a cursive style.
