

UHDB Youth Forum Re-Launch!

We're excited to announce that we are re-launching the University Hospitals of Derby & Burton (UHDB) Youth Forum.

Based at Derby Hospital, the youth forum will meet once a month on a Tuesday evening (6-8pm) and is open for young people who are either patients at UHDB or who have an interest in healthcare and improving the service for others. The Youth Forum is open to young people in school years 8-13.

The Youth Forum is a fantastic opportunity for young people to give their input into hospital services and to use their voice to help influence positive change throughout the hospitals. It's a great opportunity to meet other young people with similar interests. It's also a great opportunity to take a behind the scenes look at the hospital!

The re-launch session will be a taster session and will be taking place on **Tuesday 25th November 2025 6:00-8:00pm at Derby Children's Hospital**

Please can you share and display the attached poster with your students. If your students are interested in finding out more, they can complete the expression of interest form which is - <https://forms.office.com/e/STfVptkMYJ>

Once completed one of the team will be in touch with more information and a consent form to sign up to the first event

Any questions please do get in touch - email us on uhdb.youthforum@nhs.net or give us a call on 01332 785805

Also - If you'd like more information about UHDB Youth Service, do get in touch :)

Kind Regards,
Heather
