## **Introduction**

It is the responsibility of the head of centre to ensure that Saint Benedict CVA has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that Saint Benedict CVA:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

**maintains internal records** of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

## **Purpose of the policy**

The purpose of this policy is to confirm how Saint Benedict CVA manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

## **General principles**

A process is in place to Collect declaration of interest from All centre staff to Identify and manage any potential conflicts of interest.

## **Declaration process**

An electronic copy declaration of interest form is sent to centre staff in the Advent term 1 . Completed forms must be returned to the Exams Officer by the specified deadline date in Advent term 2.

## **Managing conflicts of interest**

A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log.

The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process.

The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
