Summer Scavenger Hunt Adventure

Instructions: Find and photograph. You can do it at home, in your garden, or outside safely.

Scavenger Hunt List

Nature & Outdoors

1. Find a leaf shaped like a star – draw it or take a photo.
2. Spot an insect (ant, bee, ladybird...) – write down its name.
3. Collect 3 different types of flowers or leaves.
4. Find something that makes a shadow – draw or photograph it.
5. Listen for 3 different birds and write down the sounds you hear.

Creative & Fun

6. Make a mini sculpture from household items or natural materials.
7. Draw your favourite summer scene in 5 minutes.
8. Find something that starts with the first letter of your name.
9. Take a silly selfie with your favourite item from the garden or room.
10. Make up a short rhyme or 2-line poem about summer.

Brain & Learning

11. Solve a riddle: *I'm tall when I'm young and short when I'm old. What am I?* (Answer: candle)
12. Spot 5 different shapes around your home or garden (circle, square, triangle...).
13. Find a book with a character whose name starts with A, B, or C.
14. Measure something using a ruler, tape, or even footsteps (e.g., a table, a plant).
15. Count how many steps it takes to walk from one room to another or across the garden.

Optional "Wildcard" Challenges

16. Find something blue and explain why you like it.
17. Build the tallest card or block tower you can in 5 minutes.
18. Invent a secret handshake or gesture and teach it to a friend/family member.
19. Create a tiny "museum exhibit" from objects you find.
20. Make a nature bracelet using string and small leaves, flowers, or petals.
